

One Week **National e-Workshop** on **Innovation & Intellectual Property Rights** **(NeW IPR-2021)**, June 14 - 19, 2021

CSIR-Institute of Minerals & Materials Technology, Bhubaneswar, India
URL: www.immt.res.in

Organizing Structure

PATRON

Prof. Suddhasatwa Basu
Director, CSIR-IMMT

CO-PATRON

Dr Ashok K Sahu
Chief Scientist &
CEO-InTEC

Dr B S Jena
Chief Scientist
Head-PME

CONVENER

Dr T Pavan Kumar
Senior Scientist &
Manager-InTEC

Virtual - MS-Teams

4 Sessions a day
(2 FN & 2 AN)

Lectures
Interactions
Hands-on Exercise

E-Support
CeNM
CSIR-IMMT

Inaugural

June 14, 2021
10:00 – 11:00 AM

CHIEF GUEST

Dr. Premnath Venugopalan

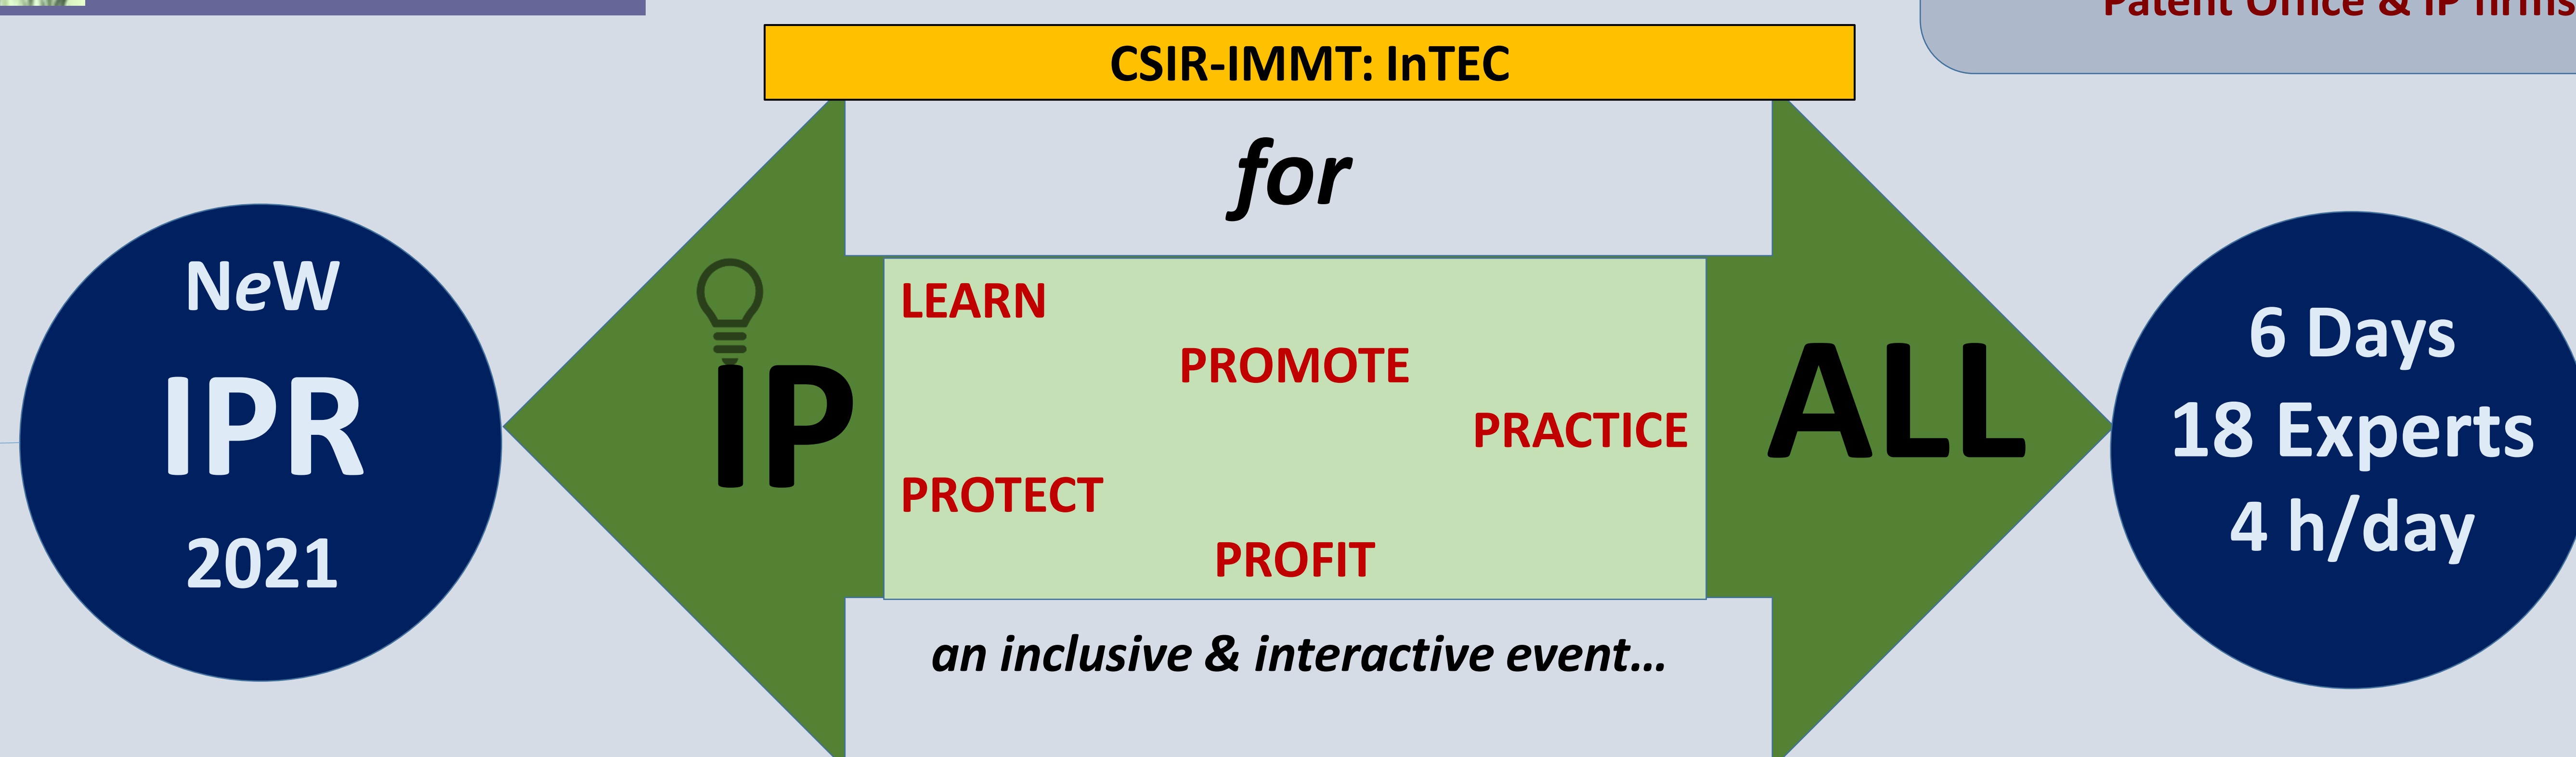

Chief Scientist & Head,
NCL Innovation, CSIR-NCL &
Director, Venture Centre, Pune

Inaugural talk

INTELLECTUAL PROPERTY & INNOVATION

Experts from:

Academia/Research – Industry/MSME
Patent Office & IP firms

REGISTRATION fee: Rs 200/- only

CONNECT & NETWORK
with
IP ECOSYSTEM

E-Certificate &
Reference Material
will be provide
after the Workshop

Step - 1

Pay Registration Fee of Rs 200/- at

A/C NAME : IMMT
ACCOUNT NO : 30267734773
BANK : SBI
ACCOUNT TYPE : SAVINGS
IFSC CODE : SBIN0007499
BANK BRANCH: RRL CAMPUS
BRANCH

Step - 2

Keep Transaction Number Ready

Step - 3

Fill the form using below
Registration Link
(Don't Forget to Fill Transaction Number)

About CSIR-IMMT

CSIR-Institute of Minerals and Materials Technology (IMMT) was established on 13.04.1964 as Regional Research Laboratory, Bhubaneswar in the eastern part of India under the aegis of the Council of Scientific and Industrial Research (CSIR), New Delhi. It was renamed in 2007 with a renewed research focus and growth strategy to be a leader in the areas of mineral & material resource engineering. The institute has expertise in conducting basic research and technology oriented programs in a wide range of subjects to address the R&D problems of mining, mineral and metals industries and ensure their sustainable development. For the last one decade, the main thrust of R&D at CSIR-IMMT has been to empower Indian industries to meet the challenges of globalization by providing advanced and zero waste process know-how and consultancy services for commercial exploitation of natural resources through the public-private-partnership (PPP) approach. Today, CSIR-IMMT is the first choice for many mineral based industries. It is also carving out a niche in processing of advanced materials for greater value addition and working on resource use efficiency of critical raw materials.

About CSIR-IMMT: InTEC

With above background, a CSIR-IMMT initiative, Innovative and Technology Enabling Centre (InTEC) has been established for translation of Innovative Technologies into successful business ventures through intervention of science & technology. Considering the emergent need of the country to build scientific innovative ecosystem, CSIR-IMMT invites expression of interest from start-ups and entrepreneurs for innovative and rapid technological solutions and incubation services in InTEC. InTEC offers an omnibus support (i) Lab facilities, (ii) overhead operational charges-internet, library, water, electricity, security and (iii) mentoring support and also offers resident and virtual support besides offering the use of various institutional facilities and instrument access at discounted rates. InTEC as an Incubation – cum-innovation hub would create support ecosystem for nurturing young entrepreneurs in molding Start-Ups. Facilitate in providing incubation support and specialized knowledge and technology framework for translating innovative developments in the space of minerals, materials and other allied areas/ technologies for sustainable utilization of natural resources; Provides conducive environment for scientists to work with external partners for product developments and their commercial exploitation.

The parties interested to set up Startups are requested to submit their proposal to intec.immt@immt.res.in
